KANNAN MADHUSOODANAN NAIR

London, UK | kannanoorupoika@gmail.com | LinkedIn | 07442663207

PROFESSIONAL SUMMARY

Commercial, numbers-driven Healthcare Operations Director and Practice Manager with over 9 years of experience leading multi-site private medical operations, patient flow optimisation, and cross-functional team delivery. Holds an **MBA from the University of West London** and a **CMI Level 7 Strategic Leadership** credential, combining advanced financial literacy and P&L oversight with hands-on clinic leadership. Proven track record in scaling clinic revenues, optimising doctor/practitioner and room capacity, enforcing regulatory compliance, and driving seamless collaboration across multidisciplinary teams (physicians, performance coaches, therapists, and administrators). Experienced in designing end-to-end client journeys, managing practice management software and EHR platforms, and maintaining high service quality standards in fast-paced healthcare environments.

CORE COMPETENCIES

- **Clinic Operations & Workflow Optimisation:** Patient Flow Management, Multidisciplinary Rota Scheduling, Capacity & Room Utilisation, Service Delivery Excellence
- **Multidisciplinary Team Leadership:** Cross-Functional Management (Doctors, Therapists, Admins), Performance KPIs, Coaching, Recruitment & Staff Development
- **Client Experience & Conversion:** Patient Journey Redesign, Lead-to-Consultation Optimisation, Client Retention, Communication Protocols
- **Compliance, Safety & Governance:** Healthcare Regulatory Frameworks (DHA/UK), Quality Assurance, Patient Privacy/EHR Protocols, Risk Stratification Support
- **Financial & Commercial Oversight:** P&L Administration, Operational Budgeting, Cost Control, Financial Variance Analysis, Vendor Management

PROFESSIONAL EXPERIENCE

V MEDICARE LIMITED | London, UK / International
General Manager – Healthcare Operations & Revenue | 2024 – Present

International private healthcare service group managing medical pathways, hospital networks, and multidisciplinary patient acquisition.

- **Multidisciplinary Team Management:** Direct a cross-functional team of 20+ clinical coordinators, administrators, and partner leads, establishing clear performance KPIs, scheduling rotas, and unified communication standards.

- **Patient Journey & Flow Redesign:** Overhauled patient intake, inquiry, and scheduling workflows, streamlining the end-to-end client experience and increasing inquiry-to-consultation conversion from 22% to 38%.

- **Capacity & Room Utilisation:** Optimised doctor, practitioner, and room capacity across service lines, driving a 35% growth in net revenue and an 18% increase in operational margin.

- **Regulatory Compliance & SOPs:** Oversee compliance and governance protocols in line with healthcare regulatory frameworks, ensuring zero audit discrepancies and strict data confidentiality.

- **Financial & Vendor Management:** Manage operational budgets, track key performance metrics, and oversee vendor and hospital partner agreements to maximise cost efficiency and operational seamlessness.

BOVINE BURGER LTD | London, UK
Operations Lead & Commercial Manager | 2023 – Present

High-volume multi-site enterprise operational oversight and commercial performance management.

- **Operational Throughput & Logistics:** Directed daily facility operations and resource allocation across multi-site entities, achieving a 34% increase in operational throughput.

- **Procurement & Waste Reduction:** Standardised procurement workflows, supplier agreements, and labour scheduling to improve unit profitability and eliminate operational waste.

V REAL ESTATES | India
Finance & Operations Manager | 2022 – 2023

- **Financial Control & Budgeting:** Managed operational budgets, monitored expense variances, and executed commercial agreements to protect unit profitability.
